## Since January 2011...Years in the making

For the last ten years members of our team have organized personal and corporate events around the world and hit many of the same pitfalls: difficult deadlines, uninspiring restaurants, hard to find contacts, common menus, lack of local dining knowledge, bad websites, bad service, and so on. In the autumn of 2010 a trusted team was assembled and we set out to tackle these problems and misadventures head-on.
